WHAT

The Youth Skills Program, **operated by world-class, professional Cedar Stars Academy coaches**, is returning to the Capelli Sport Complex Spring 2017.

Located at the state-of-the-art multi-sport complex, complete with two (2) full-sided turf fields as of fall 2016, players will be trained by Cedar Stars Academy's top coaches, led by Tyler Isaacson.

For this season, players have the flexibility to choose 8 of the 10 available sessions to attend on Wednesdays from 5:00 PM - 7:00 PM beginning March 29th, 2017.

Unlike any other program, the Capelli Sport Complex Youth Skills Program combines footwork and finishing training that will help you take your game to the next level. In collaboration with Goalkeeper Stars Academy's Spring Skills Clinic, this program provides live shooting on trained goalkeepers, which will lead to improved power and technique.
